

Easter Day of the Lord's Resurrection
Sunday Cycle B

4th April 2021

Easter 2021

The message of Easter is a message of hope and renewal – people of faith and people everywhere are searching for signs of hope in today's pandemic world. I have been especially conscious this year of the love and support people have shown towards one another during these challenging days. May the virtue of hope and the care we have for one another witness to our faith this Easter season and nurture and sustain us all in the days ahead.

Sincerely

**Father Eugene Hasson
Parish Priest**
