<p style="text-align: center;">Invitation to Respond - Diocese of Derry Environmental Strategy</p> <p>The Diocese of Derry has launched a consultative plan about climate change and the environment and is inviting everyone within the Diocese to read, engage and respond to it. The plan identifies actions and behaviours that support rather than destroy the environment. The suggestions cover such areas as land, buildings, energy, food, travel and waste.</p> <p>A draft of the Environmental Strategy has been posted on the Derry Diocesan website, to view and/or download: https://www.derrydiocese.org/diocese/environmental-strategy. Every attempt has been made to make the Strategy both comprehensive and practical so as to suit each parish's particular situation. In order to ensure that it is as helpful as possible to your various parish communities however, we would appreciate any constructive feedback on it that you may have to give. We ask if you could:</p> <ul style="list-style-type: none"> - Read the draft Strategy document and give feedback on aspects that you feel could be supplemented/improved. - Begin to implement any aspect(s) of it that you feel can be put into practice quickly and easily. - Draw the attention of both parish groups and individual parishioners to the Strategy and encourage them to give feedback. (This would be especially relevant to schools and any groups/individuals with particular interest in environmental issues). <p>SUBMISSION DEADLINE: Monday, 31st May 2021 Submit your comments, questions and suggestions to Patricia McCormack by: Email: laudatosiderry@gmail.com Telephone/text: 077 1190 0420 Facebook: Laudatosiderry</p>

In light of Covid Guidelines and restrictions and the risk assessment carried out for the Sacred Heart Church, only those candidates who are being prepared for the sacraments in our parish schools can be facilitated. This also means that for Confirmation each candidate may bring one sponsor and two parents. All adults in attendance are asked to wear face coverings, and everyone is asked to observe social distancing at all times. You are also asked to sanitise on entering and leaving the Church and to follow the directions of the ushers. Thank you for your cooperation.

Synodal Assembly

As you may have heard via the media, the Irish Bishops have decided to initiate a process in the Irish Church, leading to a Synodal Assembly in perhaps five years.

The Bishops' Conference plans the next two years as a period of prayer, listening and discernment, involving a nationwide consultative conversation on this theme. Following this, there will be a three-year preparation for a National Synodal Assembly.

Before embarking on the Synodal Pathway consultation, bishops are inviting submissions to reflect on what methods/models to adopt in these coming two years of conversations.

Individual and groups are invited to submit ideas as to how the national conversation might best be conducted, what hard-to-reach groups need to be involved.

For further information on making a submission go to www.catholicbishops.ie/synod. Please note that submissions are sought by 23 May 2021 and can be made directly online through that website.
